

To Whom It May Concern:

1. My divorce case was filed on October 19, 2007. I retained Russakow, Ryan & Johnson, a Professional Law Corporation to represent me. Since that time, my file has been handled by various attorneys at that firm. In April, 2008, my file was transferred to Mark B. Baer, yet another attorney at Russakow, Ryan & Johnson. At that point, I was frustrated with the representation I had received.

Since Mark took over as my attorney, I can say that I have felt that he has done everything asked of him and more. I felt that I finally had the representation I was promised from the beginning but did receive until he came on board. Mark has been professional AND honest in every aspect during the entire process. While I hope I never have the need for any legal services Mark is the one I will use and highly recommend to any one in need.

Sincerely,

David Newton
